UCR1 R00 - V.24 Cable – Product Code FS6061

For compatibility with the different FarSite adapter models check the
FarSite Network Connection Cables - Compatibility Matrix

The label on the cable must read: **UCR1 R00**

The cable assembly shall be constructed with one end of a cable terminated in a high density ('density-and-a-half') 26-Way HD-Type plug (3 rows of pins) and the other end terminated in a 25-Way D-Sub plug. The Cable should contain shields of both foil and braid, the connector plug must also be shielded.

The HD26 connector connects to the FarSync Adapter the DB25 presents the standard RS232C connection.

The overall length of the cable assembly (HD26 to DB25) shall be 1.5 metres +/- 0.05m.

This cable can be used in V.24 (RS232C) interface mode.
